A: Your array declaration is reversed. The elements of the array are not the rows, but the columns: int a[4]; should be int a[][4]; You should also declare the result array, for example int a2[4], and then copy the content of a to a2. A: change int a[4]; to int a[][4]; Hope this will work! Conrad Lynch: Ireland no. 1 choice for young England players Conrad Lynch has been forced to retire from international rugby because of a serious knee injury. The Harlequins prop has so far played a total of 23 tests for Ireland, despite not making his debut until the start of 2009. The 27-year-old sustained the injury during Ireland's 8-13 win over England in the June Test in Chicago. Ireland head coach Declan Kidney had hoped to play Lynch in the October Internationals but the new rule requiring players to be out of first-class or European club rugby for at least six weeks makes this impossible. I can't wait for next year. That is where I will play my best rugby. It doesn't matter if I play in the Premier League or the Championship Conrad LynchIreland head coach And Lynch, who scored a late try in Chicago, is now certain he will not be selected in the autumn series. "I can't wait for next year. That is where I will play my best rugby. It doesn't matter if I play in the e24f4084e9
