A young skater gets jealous when her brother, also a young skater, falls in love with another young skater. The brother, of course, does not know who this girl is, so he cannot do anything about his attraction to her. But when the skater finds out about his feelings, she becomes furious. She decides to take extreme measures. The girl proposes to make figure skating the biggest competition in the world so that skaters can score more high points. Brother and sister must come up with a plan to win the competition Dancing on Ice -
