These trips are a true respite from the hustle of the city and provide a great escape from our stressful society. Many attribute this phenomenon to the rise of social media and the huge exposure that these trips have received through this media outlet. It is so true that many people do not live here full time, and when they need a break they pack their bags and head to the nearest great park. The joy of walking around and seeing nature is something that has always brought me back to nature and often other people to it as well. Even in this day and age, many look back to summer camp as a formative experience in their life. I've always said that I chose my college based on whether or not it would give me the all-important backpacking experience. Free Backpacking Trips Are A Huge Trend Having a free backpacking trip is a great experience for so many reasons. First of all, it is truly free. There are no entry fees and no times when you have to worry about showing up at your destination within a set amount of time or having to pre-purchase food. Second, you don't really have to wo
