## **What's new:**

**The story begins as Nilith, the last Incarnation of the original Leo Empire, was born. She was raised in the Eastern Continent, where peace prevails. At the age of 20, she came to the West and set out across an infinite world. As she was raised in the Western Continent and marries her childhood sweetheart, her Tarnished Noble House was entrusted to her. Thus, the story of the Tarnished begins. ✧ The Tarnished will transition to the Elden Empire in the future. ♪ In-Game Achievements The “Prophecy of the Elden King” It is the day of the Tarnished's final civil war. While Leo's society has been riven by faction, conflicts among the Tarnished of the West have been escalating steadily. The Tarnished's military alliances and intrigues threaten to topple the Leaf Kingdom and the Alliance of Kingdoms. In the battle that determines the fate of the Leaf Kingdom, Nilith, whose Noble House was entrusted to her, will serve as the leader of the Tarnished. Only she can be called upon to win this crucial battle. The Star of Leo Nilith's immense fortitude and cunning are fully revealed when she wields the legendary weapon, the Star of Leo, and engages the Tarnished Alliance. It is the ultimate battle, fought by Nilith and her allies... over the fate of humankind.**

***The Tarnished September 11, 2018 The story of Tarnished will expand. New worlds and new card monsters will be added in the November update!***

In this large-scale online battle, the player must create and deploy an army, called an "Elder." The player must lead an Elder into battle, and the Elder's success is measured by the number of kills and the amounts of loot. Each Elder can equip up to three weapons and seven armor items to fight and search for valuable materials, and every class can equip a wand or a shield which increases its defensive capabilities. In the game, players can learn and train four unique classes of Elder (Knight, Sorcerer, Ranger, and Ranger Hunter). As a Master Hunter, players can also learn the new Bow Hunter class. The game features a dynamic real-time combat system that enables players to use a large variety of Elder classes and items to take down a wide range of enemies from monsters to Player Creatures. Players can use an
