Elden Ring For Windows

"Elden Ring for the Nintendo Switch looks great. The simple but strategic turn-based combat requires timing and skill. You can strike your foes, but only if you hit them at the right time. However, there's no getting around the fact that fighting in Elden Ring takes a lot of patience, and it's never easy to see what you need to do to kill an enemy in the first place. The game may lack depth, but its simple yet compelling combat makes Elden Ring a fun game that anyone should pick up." - IGN "A game of imperfect trade-offs is what makes Elden Ring fun. If you're looking for a strong fantasy RPG experience, Elden Ring is a great alternative to Breath of the Wild." - Polygon "It's not for the faint of heart. The further the game goes, the more the quests require more perseverance and the sillier the situations become. Yet you're still in complete control of your character, so it's not a game that tries to cram you with a convoluted experience. Maybe the biggest problem with Elden Ring is that it's somewhat of a cult classic, and the problem is that it doesn't do enough to justify the cult following." - Game Informers ----- The Abyss "Tethered to the Abyss, you'll grow to love your enemies, but you will also grow to hate them. You can choose the path of light, but the choice you make in The Abyss will not just affect you, it will affect everyone else that is stuck in the Abyss and become entwined in a cosmic snare." ----- The Lost Child -Wacky to Watch- bff6bb2d33

News Arsenal boss Petr Cech upset with concentration lapse for Gunners' equaliser Petr Cech felt Arsenal were fortunate to hold on for a point against Manchester United, according to Goal. Arsenal earned a 1-1 draw at Old Trafford on Saturday, thanks to a last-minute equaliser by Olivier Giroud, after United had taken the lead through a decisive first-half strike from Marcus Rashford. Cech was fouled in the area immediately after the second half restart and immediately punted the ball away to referee Andre Marriner. The 35-year-old then claimed the foul was the wrong decision, though United coach Jose Mourinho was less convinced. Mourinho said: "A little bit more time, and that is two mistakes on the same day. "We had two very good chances to score, and one of them went for the same corner. "He [Cech] touches the ball, they fall in the box and now they are going to the bench, that's what it is. "It's a decision that goes in the favour of a goalkeeper that should not have made the decision. "You give the penalty away, they score, that's a bit of fun for them.
