Developed by Naughty Dog, The Last of Us is one of the most critically acclaimed games to be released this year. An epic narrative experience laced with suspense, loneliness, and moments of emotion, we were able to sit down with Game Director, Neil Druckmann, to talk about how he developed the story in a new, meaningful way. How does Neil Druckmann tackle a challenging script? Overcome the challenges of operating the camera in the environment? How can you make The Last of Us different from any other game? Neil explains the potential problems, the creative solutions that helped pull the script together and the future of storytelling. Join us as we talk to Neil Druckmann and the crew about The Last of Us and what it took to make an award-winning video game. DON'T FORGET TO SUBSCRIBE TO GAME STORY!
