After a catastrophic shipwreck, Pi Patel finds himself stranded in a lifeboat with... Watch Life of Pi - an English adventure movie on Disney+ Hotstar right now. We all know that the film industry is moving forward by leaps and bounds. Therefore, when we think about the films that have been released or will be released in the near future, it is difficult for us to imagine what will happen in a few years. But not so long ago, we only imagined what Avatar would look like when it was released. But even despite the fact that blockbusters succeed each other, and successful and not so successful films are released one after another, there is one thing that never changes - this is a movie about animals.
