Tolombeh-ye Hamzeh Aslanbeh Tolombeh-ye Hamzeh Aslanbeh (, also Romanized as Tolombeh-ye Hamzeh ʻAslānbeh) is a village in Bakesh-e Yek Rural District, in the Central District of Mamasani County, Fars Province, Iran. At the 2006 census, its population was 67, in 13 families. References Category:Populated places in Mamasani CountyAbout this book Synopsis This book explores the relationship between institutional memory and corporate culture. It examines two fundamental questions concerning the impact of corporate culture on institutional memory: What is the relationship between corporate culture and institutional memory? And what is the role of corporate culture in the resistance to change within institutions? Kip Kasten is Professor of Sociology at Indiana University South Bend. He works primarily in the areas of organizational development, organizational psychology and organization studies. He is the author of Cultivating Organizational Learning (with Jai Chawla, 1984) and co-editor (with J.M. Roeber) of Learning and Innovation in Organizations (1990). Richard L. Ward is Professor of Sociology at the University of Cincinnati. He is the author of Corporate Culture, Information Technology and Organ c6a93da74d
